## LIVING PRAYER:

*The Lord's Prayer  
Alive in You*

So, here's what we know...

...Prayer is an  
essential part of our  
walk with Jesus...

...Jesus is the best  
possible instructor on  
the topic of prayer...

...He gave us very  
clear instructions on  
how to pray...

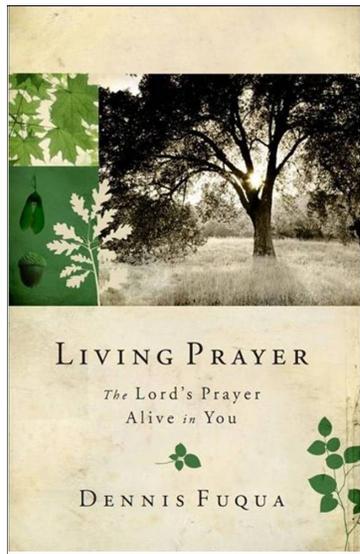

But...

...here's what we don't  
know...

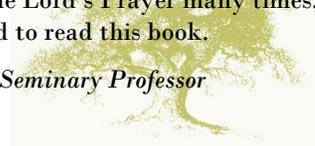

*Why is it that more followers  
of Christ don't take His  
teaching on prayer far  
more seriously?*

We want to help “fix” this...

If you have never studied The Lord's Prayer, you need to read this book. If you have studied the Lord's Prayer many times, you *really* need to read this book.

*Dr. Dan, Seminary Professor*

**A**fter nearly 30 years of using the pattern of the Lord's Prayer for his own personal life, Dennis Fuqua has not only written the book, *Living Prayer; the Lord's Prayer Alive in You*, but has also developed this **companion seminar** to help us grasp the significance and use of this simple but profound prayer. Just as the Lord communicated with His people through the Written Word and the Living Word, we want to communicate this essential message in a written way and in a personal way.

The *Living Prayer Seminar* is not a series of sermons pieced together. It is a highly interactive, creative time which will help you not only know and appreciate this most well-known prayer, but also gain experience and confidence in praying it.

With 25 years of pastoral ministry and leading an international prayer ministry since 2000, Dennis finds a wonderful balance of sharing what he has gleaned from this prayer and helping you glean from it yourself.

You will leave this seminar with a greater freshness in your own prayer life and the ability to share with others how they can glean from this “best-of-all prayers from the Best-of-all Pray-ers.”

## TESTIMONIES

Even for someone like me who has studied this prayer for decades, I still learned a lot and gained new insights as I worked through your book the past couple of weeks in my quiet time. So readable. So personable. So motivational. So insightful. So beautifully focused on Christ.

– *David, National Prayer Leader*

Never in my life has prayer been so interactive as when I pray this pattern. He opens more and more great and wonderful things of His character and His desires in and for me.

– *Sam, College Student*

This stopped me dead in my tracks! I found myself prostrate before the Lord – something I've never done, I'm sorry to admit. This has changed my life forever.

– *Bev, Participant from Rhode Island*

This seminar was fast-moving, fun, insightful, biblical and very encouraging. I heard things about how to pray that I've never heard or read anywhere before, and I have a shelf of books on prayer. I will never pray the same way again.

– *Steve, Pastor from Massachusetts*

This book and your seminar have opened my eyes and revolutionized my prayer life as well as in my congregation. In the past it was used like a dead, formal mantra. I have come to value it as never before. Thanks for your contribution to the Body of Christ.

– *Tim, Pastor from Washington state*
